2026 SCHEDULE

VALLEY CITY
STATE UNIVERSITY

Dr. Allen Burgad
Interim President

Welcome to Valley City State University!

On behalf of our faculty, staff, and students, I would like to welcome you to VCSU. We are excited that you have chosen to become part of our Viking family and continue your educational journey with us. Choosing a university is an important life decision, and we are honored you selected VCSU as the place where you will learn, grow, build relationships, and prepare for your future.

Welcome Weekend and Viking Voyage are designed to help you successfully transition into college life and become connected to our campus community. Throughout the weekend, you will have opportunities to meet fellow students, faculty, staff, and Viking Voyage Mentors who are here to support and encourage you every step of the way. These experiences are intended to help you feel welcomed, informed, engaged, and prepared as you begin classes.

At VCSU, we believe relationships matter. I encourage you to get involved, meet new people, ask questions, and take advantage of the many opportunities available to you both inside and outside the classroom. The friendships you build, the experiences you embrace, and the connections you make can positively shape your college experience and last a lifetime.

VCSU is a special place because of our people and our strong commitment to being student-focused, learning-centered, and supportive of your success. We are excited to walk alongside you during this important chapter of your life.

I look forward to meeting you and watching you grow and succeed as a Viking.

Welcome to VCSU and Go Vikings!

Dr. Allen Burgad
Interim President
Valley City State University

Welcome to VCSU!

I am so excited you are joining the Valley City State University community. Whether you're arriving from across the state, across the country, or just down the road, you now have a place here.

College is about more than earning a degree, it's about discovering who you are, building meaningful relationships, finding your passions, and creating memories that will stay with you long after graduation. My hope is that you'll say yes to new opportunities, step outside your comfort zone, and fully embrace your Viking experience.

You will be surrounded by faculty, staff, and fellow students who genuinely care about your success and want to see you thrive. Ask questions, seek support when you need it, and remember that asking for help is a sign of strength.

Most importantly, know that you belong here. I can't wait to meet you, learn your story, and cheer you on as you make your mark at VCSU.

Welcome to the Viking family. We're glad you're here.

Go Vikings!
